Why Tiger Marine Boats

New Industrial Plant

Our new industrial plant built on 5000 Sq. meters and have twin 1000 Sq. meters hangers ,85 skilled workers and 5 engineers. Located 50 Km from Cairo International airport , 80 Km from Suez port and 200 Km from Alexandria port

All boats are built one by one which means that they are hand made by our high technical manufacturing skilled workers.

Hight Quality Parts

Tiger Marine boats are built with the best parts in the market made by the best Italian manufacturers and complies with CE regulations. This is the only way to ensure the greatest quality of the parts and for the customer to receive the best boat for the value.

Welding Technology

Tiger Marine boats are built with the latest technology of thermo-bonding which eliminates the old fashioned gluing method still used by some manufacturers. All our seams are indestructible and very reliable with superior finish quality. Thermo-bonding seams has raised the value of the PVC boats specially with the state of the art welder from USA .

Long Experience

Tiger Marine boats are in the market since 1996, which means 25 years of experience in the inflatable boats manufacturing techniques. This experience has reflected to our customers with a superior performance and quality boat.

World Distribution Network

Tiger Marine boats are exported all over the world, and through our distribution network you can easily find your Tiger Marine boat at your nearest dealer in your country. Just click on our website and visit our dealers page to find your nearest dealer.

Standards

Tiger Marine boats are built according to the requirements of the international standards ISO-6185 and European directive for recreational crafts 53/2013/EU. Factory has ISO 9001 certificate and also RINA and CRS certificates for some models.

Best Fabrics

Tiger Marine boats are built with the best inflatable boats fabrics.

1- Valmex : PVC based fabric made by Mehler technologies from Germany

2- Orca CSM (Hypalon) : Heavy duty fabric made by Pennel and Flipppo from France

The Ideal Family Cruiser

TOPLINE

850 TL - 650 TL – 600 TL

Standard Features

850 TL

- * Built-in Cabin with full cushions
- * Built-in large rear seat
